In Memory of Mike Lehto 1962–2025

This year, we proudly rename our invitational in honor of Mike Lehto, whose sudden passing left a lasting impact on all who knew him. For decades, Mike was the heart of this meet and a devoted steward of the sport. He dedicated over 30 years to Cleveland State University, retiring in December 2024 after helping host last year's 50th Viking Invitational, and spent more than 20 years coaching the St. Ignatius High School Swim & Dive Team, leading the program to two OHSAA State runner-up finishes and two individual OHSAA State Championships.

Mike's passion extended far beyond coaching. He took pride in every detail of the Viking Invitational—from facility preparation to his carefully curated music playlist and the beloved Santa arrival he personally coordinated each year. As a coach, he had a rare ability to understand what each swimmer needed to succeed and bring out their best. Renaming this meet the Mike Lehto Viking High School Invitational Swim Meet ensures his legacy will continue to inspire future generations.

A Life in Swimming

Michael Allan Lehto was born on April 12, 1962, in Ashtabula, Ohio, to parents Dorothy and Oliver Lehto. He was the youngest of three children, with siblings Barry and Kathy, and he discovered swimming early at the Ashtabula YMCA, quickly showing exceptional talent.

Mike was recruited to swim at Kiski Preparatory School, a boarding school in Saltsburg, Pennsylvania, where he may still hold the school record in the 100 butterfly. Summers were spent swimming with a strong program in Louisiana, further shaping his competitive foundation. He began his collegiate career at the University of Pittsburgh, swimming for two years before ultimately finding his home at Cleveland State University. At CSU, Mike specialized in the butterfly and mid-distance freestyle and at one time held the school record in the 100 butterfly.

At CSU, Mike met Maureen O'Malley, a fellow swimmer who would become his wife and lifelong partner. Maureen is a chemistry teacher at Holy Name High School in Parma Heights. Together, they raised four sons, all proud graduates of St. Ignatius High School.

Brian- an Air Force serviceman stationed in the Azores and a baseball player

Sean- who works in the CSU HVAC department and cherished daily coffee breaks with his dad; a member of St. Ignatius' last football state championship team

Nolan- a chemist with the Northeast Ohio Regional Sewer District, who swam for his father at Ignatius and famously said he was happy for Christmas break to end so he could return to "No Doubles" practice

Mikey- an engineer with Rad-Con in Lakewood and a multi-sport athlete in football, track, and basketball, also part of a St. Ignatius state runner-up football team

Coaching Excellence and Dedication:

Mike's coaching accomplishments were extensive and deeply meaningful:

- Ohio High School Boys State Coach of the Year
- Two St. Ignatius boys state individual champions
- Two St. Ignatius HS Team HS State runner up
- Multiple District champions and team champions
- Over 75 High School All-Americans over his 20 years at St. Ignatius HS
- Numerous school record holders at St. Ignatius and 2 St. Ignatius Hall of Fame athletes
- Many Junior National qualifiers and a couple of Olympic trial qualifiers
- Head coach of the CSU Women's Varsity Team, where his swimmers set numerous school records
- Coached USA Swimming club team at the Berea-Midpark Swim Club

Mike's dedication to coaching was unmatched. He meticulously maintained practice logs, tailoring workouts for sprinters, stroke swimmers, and distance athletes. He embraced new research and enjoyed sharing new ideas and techniques with other coaches. He especially emphasized stroke mechanics, starts and turns often filming swimmers above and underwater. He knew the importance of great starts and turns and especially not breathing in and out of turns. He was the King of Taper where he kept track of timed sets for all his athletes' improvement using refined taper strategies, and mastered the art of tapering swimmers through the 3 post season championship meets at the end of the HS season. Mike never overlooked dryland training, race strategy, and mental preparation.

He shared countless stories with his wife who was his sounding board and it helped that she was an experienced collegiate swimmer. She understood early mornings, long hours and all the behind the scene work he'd put in with his swimmers. Perhaps most

importantly, Mike believed that every swimmer mattered. He never thought it beneath him to coach beginners, knowing that with proper instruction and encouragement, improvement was always possible.

Beyond the Pool

Outside of swimming, Mike loved exploring National Parks, hiking from Arches to Zion and many places in between. He enjoyed traveling to visit the countries where his son Brian was stationed, including Japan and Portugal, and was planning a trip to Ireland. He appreciated classic black-and-white films, cherished time with family and friends, and had a soft spot for dogs, sharing his home with three of them. On a side note, he particularly enjoyed the Christmas parties that St. Ignatius HS swim team parents would host as well as the Annual Wildcat Roar Fundraiser event to raise funds for the school's athletic teams.

A Lasting Legacy

Mike Lehto loved swimming, loved coaching, and loved the people within the sport. He shared deeply in the triumphs of his athletes and took pride in what commitment, teamwork, and perseverance could achieve. His influence is woven into countless personal bests, championship moments, and lifelong memories.

It is with deep gratitude that we honor Mike by carrying his name forward. The **Mike Lehto Viking Invitational** reflects the values he lived every day: commitment, excellence, and being a man for others and stands as a lasting tribute to his impact on **St. Ignatius High School**, Cleveland State University, and the greater Northeast Ohio swimming community.

He will always be part of St. Ignatius swimming, part of this meet, and part of the sport he loved.
